

WHO BUT **W.B. MASON** LAFAYETTE & COLLEGE

RECYCLE CARTRIDGES RESPONSIBLY

WB Mason will pick up any department's spent ink & toner cartridges for recycling when they make a delivery of supplies.

Just make the WB Mason Driver aware and have the cartridges available for removal

No loose cartridges-each cartridge **MUST** be in a bag or box. Does not need to be the original packaging. Recommend marking packages "used toner cartridge"

HP has also launched Ink Cartridges made from Recycled Bottles which is helping to clean up the world.
